- Silver Package

Unlock Your Online Potential for Just ₹22,000 + 18% GST/Year!

At Webscope Digital Media, we specialize in crafting digital solutions tailored to your business needs. Our Silver Package is designed for small to medium-sized enterprises looking to establish a strong online presence.

What's Included in Our Silver Package?

1. **Static Website Development**
 - A professionally designed static website that reflects your brand identity and engages your audience.
2. **1 Year Hosting & Domain**
 - Reliable hosting and a custom domain name to ensure your website is always accessible to your customers.
3. **3 Professional Email Accounts**
 - Create a professional image with custom email addresses that match your domain, enhancing your business communication.
4. **SEO for 5 Keywords**
 - Optimize your website for search engines with targeted SEO strategies on five selected keywords, helping you reach your audience effectively.
5. **Business Guidance**
 - Benefit from expert advice on best practices for growing your online presence and improving your digital strategies.
6. **Google My Business Profile Setup**
 - Enhance your visibility on Google with a professionally set up GMB profile, making it easier for customers to find you.
7. **24/7 Support**

- **Our dedicated support team is available around the clock to assist you with any questions or issues that may arise.**

Why Choose Us?

- **Expert Team:** Our skilled professionals are passionate about helping your business succeed online.
- **Tailored Solutions:** We understand that every business is unique, and we create customized strategies to meet your specific needs.
- **Affordable Pricing:** Get comprehensive digital services at a competitive price.
